

The Scriptures declare the certainty of:

A coming Abomination of Desolation (15)

A Great Tribulation and time of deception that will be shortened for the sake of the Elect (16-25)

Jesus Christ coming in power and great glory for His elect (26-31)

God's Word being trusted (32-25)

God's judgment being swift and complete (36-44)

The necessity of His people being ready and faithful (45-51)

Questions for Discussion:

How would you contrast Jesus 1st coming with His 2nd coming?
Take time to praise Him for His attributes manifested in both of His comings.

What do you understand it means for a Christian to be ready and faithful?
What would it look like for a Christian to *not* be ready and faithful?

Accountability Question:

Are *you* ready and faithful?
What should you give attention to this week to be *more* ready and faithful?
